### **QMB announces the appointment of John Brzezinski to its QMB QualiVerse™ Advisory Board**

Boston, MA, USA – February 11, 2024 – QMB, Inc. a tech startup developing an AI SaaS in the MedTech Regulatory sector, today announced that John Brzezinski has joined its strategic Advisory Board as it accelerates the development of its AI regulatory software platform QualiVerse™.

“John brings with him an extensive professional and VC network, and has great functional/operational experience allowing him to understand the requirements of getting a startup running and succeeding! We look forward to working him closely as we continue our development efforts on QualiVerse™ & AI integration...”

Mr. Brzezinski has a lengthy history of consulting and working in the venture capital investment sector with a special focus on young emerging companies. Additionally, he has a broad-based background spanning operating/executive management, advisory and private equity roles, helping numerous companies develop and execute successful growth strategies. Mr. Brzezinski has developed perspective from “all sides of the table,” having been a Partner with a Strategy/Mergers and Acquisition advisory firm, senior operating executive, and member of the investment committee of a venture capital firm. Mr. Brzezinski is currently a Partner with J. Locke & Co, a merchant banking group, and member and former Board Director of Launchpad Venture Group.

Mr. Brzezinski graduated with honors from Harvard University with an AB in Economics and holds an MBA from the Kellogg School at Northwestern University.
